TECHNICAL SKILLS

Languages: Java, C, JavaScript, HTML, CSS
Frameworks/Libraries: React.js, Tailwind CSS, Material UI
Technologies: Git, GitHub, Vercel
Developer Tools: Visual Studio Code

EDUCATION

Shri Ramswaroop Memorial University   Sept 2022 – May 2026
Bachelor of Technology in Computer Science   Lucknow, Uttar Pradesh

Country Wide Public School   April 2022
XII   Bageshwar, Uttarakhand

RELEVANT COURSEWORK

- Data Structures
- Algorithms Analysis
- Artificial Intelligence
- Operating System
- Database Management
- Computer Architecture

PROJECTS

Interactive Guessing Game Web Application / **HTML, CSS, JAVASCRIPT**   May 2024
- Designed and implemented an interactive guessing game with dynamic gameplay to engage users.
- Integrated real-time feedback features such as hints and progress updates to improve user experience.
- Developed efficient algorithms to ensure accurate feedback and smooth performance throughout the game.

Real-Time Digital Clock Application / **HTML, CSS, JAVASCRIPT**   OCTOBER 2024
- Developed a real-time clock application with accurate time updates and a clean interface.
- Implemented color display features showing RGB, HEX, and HSL values for use in design and development.
- Optimized time calculations and update intervals to improve performance and reliability.

Amazon-Inspired E-Commerce UI | HTML, CSS, JavaScript   MARCH 2025
- Developed a responsive e-commerce website inspired by Amazon, optimized for all device types.
- Built a structured and user-friendly interface using HTML and CSS.
- Enhanced interactivity with JavaScript features such as dropdown menus and UI animations.

React Weather App | React, Material UI   APRIL 2025
- Built a weather application using React with real-time data from the OpenWeatherMap API.
- Used React hooks for efficient state management and dynamic UI updates.
- Ensured performance, accessibility, and responsiveness across devices.

CERTIFICATIONS

JavaScript Programming / Great Learning Academy | CERTIFICATE   June   2023
Java Programming / Great Learning Academy | CERTIFICATE   December   2023
Responsive Web design | L&T Edutech | CERTIFICATE   March 2025
Full Stack Web Dev Bootcamp | L&T Edutech | CERTIFICATE   April 2025

LEADERSHIP EXPERIENCE

Discipline Committee Lead - IIT Bombay Tech Fest / SRMU   November 2023
- Managed team for smooth execution of events with 1000+ participants
- Implemented a new conflict resolution system, improving event management

Security Operations Coordinator- Tech Fest / SRMU   March 2024
- Oversaw security for the 3-day event, ensuring a safe environment for attendees
- Developed and implemented emergency response protocol
